- Subject-Matter Expertise

Engineering Services

- ◆ CBR-D
- ◆ Software Development
- ◆ COTS Product Assessments
- ◆ Research and Development Program Management
- ◆ Military Clothing and Textile Expertise
- ◆ U.S. Navy Damage Control Expertise
- ◆ Hardware Installation and Design
- ◆ Live Fire Testing and Evaluation

Training Solutions and Products

- ◆ Training Requirements Analysis
- ◆ Computer-Based Training
- ◆ Curriculum Development
- ◆ Collective and Group Training
- ◆ Individual Training
- ◆ Interactive and Integrated Exercises
- ◆ Knowledge Post Tests
- ◆ Animated and Descriptive Technical Solutions
- ◆ Web-Based Training and Training Aids
- ◆ Interactive Software Simulations
- ◆ Section 508 Compliant
- ◆ MILHNDK VOL. II Compliant
- ◆ SCORM-Compliant Content for ILE
- ◆ Animated and Descriptive Technical Solutions

Conference and Seminar Facilitation

- ◆ Event Planning
- ◆ Wargaming and Scenario Development
- ◆ Event administrative support
- ◆ Year-round data management and updates
- ◆ Database-driven Action Items Collection
- ◆ After-Event Summaries
- ◆ Year-Round Data Management and Updates

Multimedia Design and Production

- Website Design, Development, Fielding and Maintenance
- Section 508 Compliant Products
- Video and Audio Production Studio
- Marketing Materials Design and Production
- Marketing Strategies and Plans

Human Systems Integration

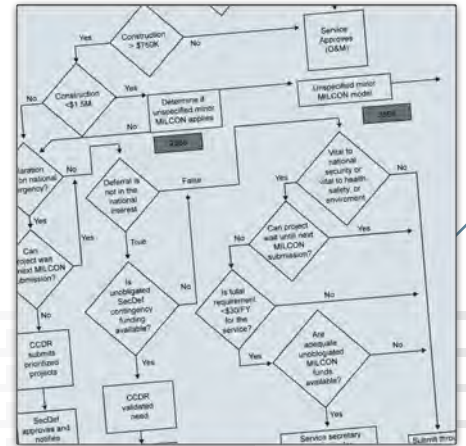

- Process Research and Analysis
- Requirements Analysis and Development
- Joint Capabilities Integration and Development System Support
- DoDD 5000.1 and DoDI 5000.2 Acquisition Support
- Key Performance Parameters Development

Acquisition and Logistics Support

- ◆ Acquisition and Logistics Program Documentation (ACAT I-IV)
- ◆ Logistics Process Analyses and Development
- ◆ Maintenance and Fielding Strategies
- ◆ Manpower and Personnel Analyses and Plans
- ◆ Equipment Support
- ◆ Training Support
- ◆ Computer Resources Support
- ◆ Packaging, Handling, Storage and Transportation

Anti-Terrorism Force Protection (ATFP)

- ◆ Antiterrorism Requirements Development
- ◆ Vulnerability Assessments
- ◆ Training Solutions
- ◆ Measures of Effectiveness that Assess Training, Equipment, Organizations and Policies
- ◆ Mission Essential Task List Development
- ◆ Use-of-Force Decision-Making Scenarios
- ◆ Leadership Development
- ◆ Strategic and Operational Planning Seminars
- ◆ Exercise Planning and Execution Workshops
- ◆ Facilitated Tabletop Exercises
